

INDUSTRIAL MECHANICAL CONTRACTORS, INC.

ABOUT US

Industrial Mechanical Contractors, Inc. has been servicing the needs of the Tri-state area (PA, NJ, & DE) for the past four decades! During that time we have placed an emphasis on customer service and client satisfaction.

In fact, the foundation of our business is, and will continue to be...

"a commitment to exceeding your expectations in all aspects of our products and services."

To maintain this commitment of quality workmanship we employ journeymen refrigeration and air conditioning technicians, who have completed a rigorous five-year HVAC/R training program prior to their many years of field experience. They have proven their ability to perform mechanical work in Installing / Servicing / Repairing HVAC equipment, ranging from small commercial to large industrial applications.

Our Services

Industrial Mechanical Contractors, Inc. is pleased to provide you with an overview of services we offer:

Service Department

Industrial Mechanical Contractor's Service Division has the necessary tools, instrumentation and experience to service/repair every application of HVAC equipment, whether it be scheduled preventive maintenance, diagnostics, corrective maintenance / repairs, renovation projects or equipment upgrades.

We offer Emergency Service 24 hours a day, 7 days a week,..... Including holidays.

Industrial Mechanical Contractors, Inc. understands the critical needs of today's business environment and the importance of responding to requests for service quickly and professionally, during all hours of operation, in order to minimize expensive downtime. Whenever possible, we diagnose the problem, procure, return and install the parts the Same-Day, rather than just order parts for installation at a later date.

Installation and Replacement

Industrial Mechanical Contractors' expert technicians are familiar with the latest technology and utilize the finest tools and instrumentation necessary to properly install and service every facet of HVAC equipment. We install and service every major manufacturer of HVAC equipment:

Our expertise includes, but is not limited to, Office complexes, High Rise Buildings, Nursing Homes, Retirement Communities, Schools, Manufacturing, Computer Rooms, Shopping Centers, Banks, Printing Plants, Houses of Worship, and more.
